

**ADK Delta Chapter**  
**February Meeting Minutes**  
**February 9, 2021**

Delta Chapter held its fifth meeting of the year on Zoom at 6:30 pm on Tuesday, February 9, 2021. Co-President Joanne Swenson called the meeting to order at 6:33 pm with a welcome to all members and a thank you for attending our online meeting.

**Attending:** 19 members and 2 guests (State President Marie Gibbons and Karen Lemke)

Chaplain Jodi's words of inspiration for us focused on the Power of Love. She read an excerpt from President Obama's Inauguration's presented by poet Elizabeth Alexander.

**Program:** Our February committee (Jean M, Jennifer, Helen) introduced Karen Lemke from the Rochester Public Library who presented a slide show of services offered during Covid. Karen shared that one of the most important changes at the library has been the City's Covid Line. This call center has answered 45,321 calls this past year. Library employees have worked at the Day Center for the homeless. They are in community partnerships to provide food, PPE, housing, internet access, and sending over 7400 postcards and making phone calls to older members. The library provides many digital resources to the community, including Meet Libby which allows you to read magazines and books online. There is also access to databases, ancestry library resources and Creativebug. It also provides hotspots for wifi, curbside pickup, walk-up windows, and soon a social worker to help with recovery issues. Karen shared a photo of library remodeling and emphasized calling 507-328-2300 or visit their website if you have questions about your library card.

Jean M reminded us that February is "I love to read" month and asked us to share a favorite book and/or author. Each member in attendance was called on and now we all have a great list of books to read!

The April committee reported that they have been working with Mary Wilder, the new executive director of the Gift of Life Transplant House. There are 56 people in residence there now. Many restrictions on what can be done regarding bringing in food are now in place. Only three people are allowed in the kitchen at a time. Bringing in treats, such as Costco's individual frozen pizzas, is a possibility for our April altruistic project.

The meeting was adjourned at 8:11 pm after we recited the words of the *Lamp of ADK*.

Respectfully submitted,
