## January Meeting Minutes

### January 11, 2022

Delta Chapter held its fifth meeting of the year at Twig's at 4:30 pm on Tuesday, January 11, 2022. The meeting was called to order by Co-President Joanne Swenson. (Notes for these minutes were taken by Jean Murphy.)

**Attending:** 11 members and one guest

**Program:** Kathy Perry from Crisis Nursery spoke about their function under Families First and Olmsted County. Crisis Nursery began in 1994 and has now successfully helped families for 28 years to find emergency childcare in times of need. No questions are asked. Childcare providers are licensed providers or licensed Foster care providers. The Crisis Nursery is open 24 hours per day, every day of the year. They also help families find other resources, such as Head Start, Channel One, etc. In 2021, they assisted 262 families. Their goal is to keep families safe and they are proud of their 99% success rate. That means the children did not end up in child protection services. They are funded by Olmsted County, donations, and grants.
